## FABRICS COLLECTION 2026-2027

The Olta fabric collection is more than a palette of colors - it's a choice of mood, light, and the character of your interior. We curated it by texture, tactile feel, and visual effect, so finding the right fabric becomes effortless and intuitive. This is how our 7 distinctive collections came to life: from bold weaves, through soft bouclé, to the deep, velvety richness of velvet. Each one brings its own expression of luxury - refined, quietly confident, and unmistakable from the very first touch.

# BOLD WEAVE

Bold Weave is all about structure and presence. Its pronounced weave adds depth and character, making the fabric feel architectural and confidently modern. A perfect choice when you want the texture to be part of the design statement.

Best for: statement sofas, sculptural forms, modern living rooms, open-plan interiors, commercial spaces.

# BOUCLÉ

Bouclé brings softness you can see and feel. With its gentle, looped texture, it adds warmth and a sense of calm refinement to any piece. Ideal for interiors that lean into comfort—without losing elegance.

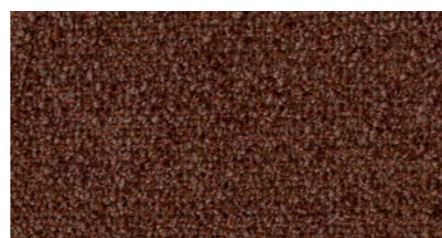

Best for: cozy lounge pieces, reading corners, calm bedrooms, boutique hotels, soft minimal interiors.

# INNER WEAVE

Inner Weave is subtle complexity at its best. The texture reveals itself gradually, with quiet detail and a natural rhythm that feels sophisticated rather than loud. Made for those who appreciate design that's refined and understated.

Best for: timeless interiors, elegant apartments, layered neutrals, refined lounges, understated luxury settings.

# MELANGE TEXTURE

Melange Texture offers depth through tone and nuance. Its blended color effect adds a natural, layered look that feels warm, contemporary, and easy to live with. A timeless choice that brings softness to modern forms.

Best for: everyday living, large sofas, family homes, warm modern interiors, spaces that need depth without contrast.

# SMOOTH TEXTURE

Smooth Texture is clean, calm, and effortless. With a refined surface and minimal visual noise, it highlights the silhouette of the furniture and keeps the interior looking crisp and polished. Perfect for modern spaces that value simplicity with quality.

Best for: modern minimalism, clean-lined sofas, bright interiors, offices, contemporary apartments.

# VELVET

Velvet is depth, light, and elegance in one. Its soft sheen changes with every angle, creating a rich, sophisticated finish that feels timeless. The choice for interiors where you want a touch of quiet drama—always refined.

Best for: elegant living rooms, feature pieces, boutique hospitality, classic-modern interiors, spaces with controlled lighting.
