## DESCRIPTION

The MIRO coffee table creates a sculptural dialogue between cast glass and grounded form, introducing a gallery-like presence to the modern living space. Defined by a fluid silhouette, its tabletop of heavy, grey-tinted cast glass mimics the tactile beauty of rippling water, capturing and refracting light across a textured surface. This light-diffusing glass top is anchored by bold legs finished in painted wood veneer, establishing a captivating balance between translucent depth and solid architectural weight. Acting as a standalone artistic centerpiece, MIRO integrates seamlessly with olta's soft modular sofas, pairing upholstered warmth with an exquisite interplay of glass and wood.

La table basse MIRO installe un dialogue sculptural entre verre moulé et matière ancrée, apportant une présence digne d'une galerie d'art à l'espace de vie. Caractérisée par une silhouette fluide, son plateau en verre moulé épais au ton gris nuancé évoque la beauté tactile de l'eau en mouvement, captant et réfractant la lumière à travers sa surface texturée. Ce verre diffuseur est ancré par des piètements sculpturaux en placage de bois peint, créant un contraste captivant entre translucidité et solidité architecturale. Véritable sculpture, MIRO s'associe harmonieusement aux canapés modulaires olta, équilibrant la chaleur des textiles par un jeu raffiné entre verre et bois.
